DPP Referral Questions/Assessment Update

- Purpose: Gather information on current referral capacity of DPP providers, potential future direction and resources needed to build DPP provider capacity to respond to referrals and provide feedback.
- Format: In person group discussion through regional DPP network meetings, or online survey
 - Example questions:
 - *As a DPP provider, at a minimum, what information must be included in a referral? Choices: BMI, name, phone number, etc.*
 - *What is your current method of receiving referrals and what is your preferred method? Choices: EHR, HIE, Paper, Fax, Email, Phone*
- Data Collected
 - 2 regional DPP groups (3 regional DPP groups are in process)
 - 4 survey responses on SurveyMonkey
- Next Steps
 - Compile results & Analyze
 - Share
 - Determine future direction

Thank You!

- Evaluations
- Please take prediabetes & DPP outreach materials/resources
- Enjoy your summer!
