MDCH Updates

- Current Grant Activities that Support DPP
- New CDC Grant Opportunity “1422”
- Things on the Horizon

MDCH Updates Current Activities

Communication Products

Data/Surveillance

Maintain Diabetes Prevention Network

Increase DPP access to WISEWOMAN programs

Reimbursement Plan Development for MI Medicaid
(Multi-Year Initiative)

MDCH Updates

Recent Grant Activities

Michigan Diabetes Prevention Network
Recruitment Plan

Targeted outreach with the YMCA State Alliance and
Michigan YMCAs

Partnership with NACDD and AMA

Communication Campaign (messaging, PSAs,
billboards)

New Grant “1422”

- 4 year, \$3.5M, Multi-strategy grant to compliment state health department work in addressing obesity, heart disease, stroke and diabetes prevention
- Environmental, health system interventions, and community-clinical linkage strategies
- Work will be done in 4-5 funded MI communities with high chronic disease burden, some statewide activities

“1422 and DPP”

- Funded communities are required to promote DPP; strongly encouraged to work with existing DPP programs.
- Work with Local DPPs on referral systems and targeted health care provider outreach
- Media
- Work with community health workers (CHW), online lifestyle training for funded community CHWs

1422 Continued

- RFP will be out shortly, will be shared with Network once released
- Read CDC FOA for information on grant and strategies:

<http://www.cdc.gov/chronicdisease/about/state-localpubhealthactions-prevcd/index.htm>

Things on the Horizon

- Personnel Update
- Update on CDC Recognition Standards
- Input from YOU regarding Network activities!
