Shifting Towards Community-Driven Media and Promotional Materials

Current Media & Where We'd Like to Go

- Current media
- Future vision
 - Partner advisory group.
 - Broad input.
 - Third party-led media campaign that creates materials relevant across state with support from MDHHS-Diabetes.

Initial Key Considerations for Media

- Turnkey.
- Editable.
- Reproducible.
- Able to add own logo and contact information.

Interest in advisory
council for media?

Interest in broad input?

- We aim to also have input opportunities in DPN and COP meetings.
- If you'd be open to giving input over email or a quick phone call whenever we have updates, please let us know!

Discussion Upcoming Community of Practice and DPN Topics

Diabetes Prevention Network

- 3 meetings/year.
- Mix of virtual and in-person.
- Topics?
 - Disability.
 - Check on new DPRP data fields.
 - National-level updates.
 - State-level updates.
 - What else would you like to see?
- Include trainings?
- Tips?
- Updates?

Community of Practice

- We've done a mix of presentation updates, posing the group questions, and open Q&A.
- What would you like to see covered in upcoming meetings?
