Discussion Adrienne Davenport

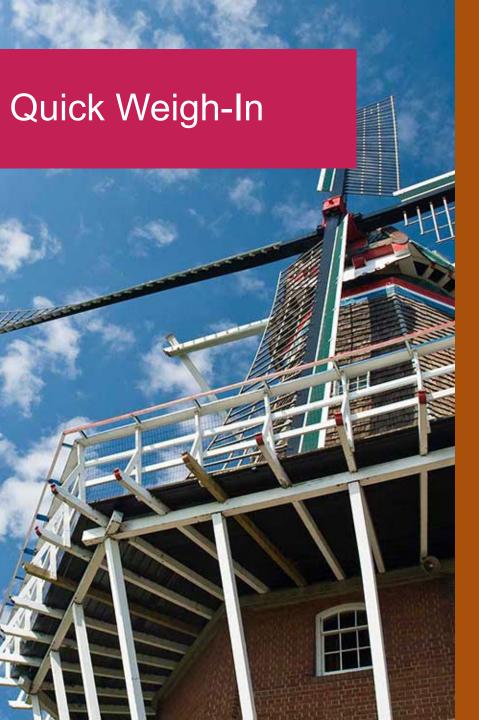

Diabetes Awareness Month – have you done any activities you want to share?

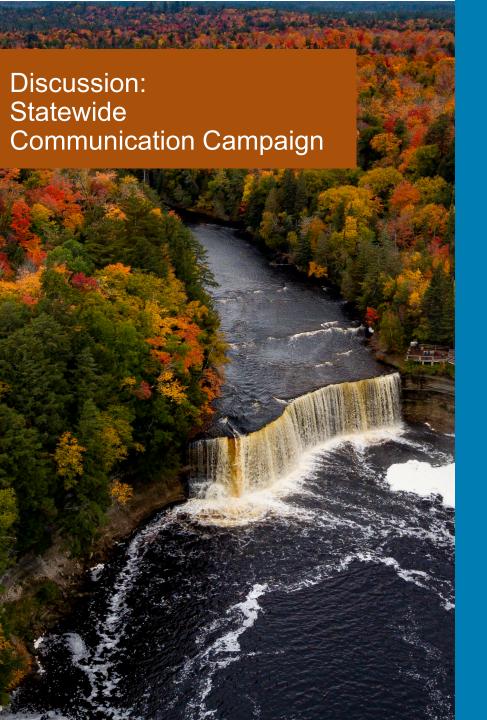

- Social media?
- Press releases?
- Educational materials?
- Videos?
- Website work?
- Other promotions?

Do any of you know of any employers (your own or others you know) we could reach out to who might be good candidates for offering DPP to their employees?

If you're here in the room, please take this 10-minute market assessment quiz today!

^{*}MiDPP providers must submit claim for 5 percent WL (G9880) prior to submitting claims for the maintenance 5 percent WL from baseline in months 7-12 (G9888). Medicaid will pay for maintenance 5 percent WL up to 6 times in months 7-12.

Medicare MDPP

Highlights from MDPP Supplier 2 Day Summit Sept 2024

- Use variety of referral resources
 - Health care, community based, health plans, word of mouth.
- Outreach—referrals receiving at least 3 outreach attempts
- Screeners use Motivational Interviewing (MI) techniques during 20-30 minute calls to assess readiness
- Identify SDoH
- Incorporate a discovery session (introduction)
- Provide wrap-around services such as tablets, webcams and microphones
 - Ask about Zoom familiarity
 - Accept scale photos for remote weigh ins
 - Provide digital scales
 - Group organized connections such as social media and accountability buddies

MDPP Participant Needs

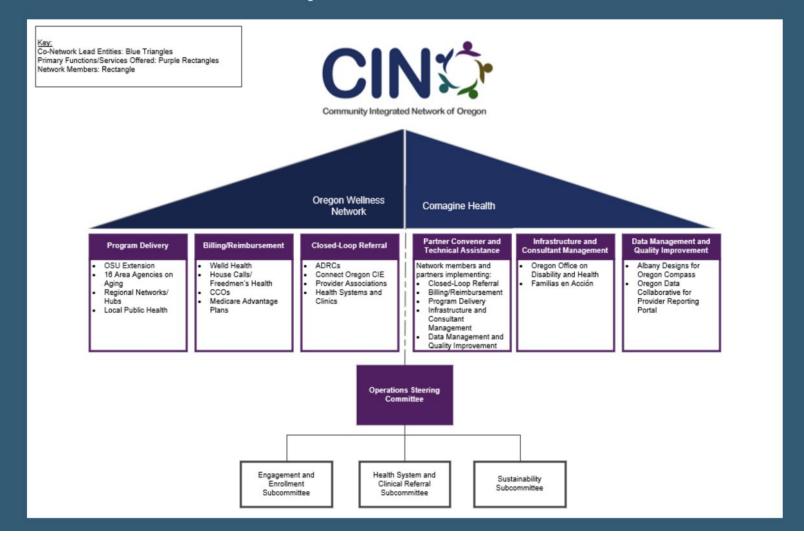

- Increased medical needs
 - Other conditions, physical limitations, etc.
- Social connectedness vs isolation
- Technology challenges
- Dependency on others for support
 - Financial, transportation, measuring weight
- Ability to pay for basic needs and home repairs
 - Food pantries, SNAP benefits
 - Water leaks, handrails, mold remediation

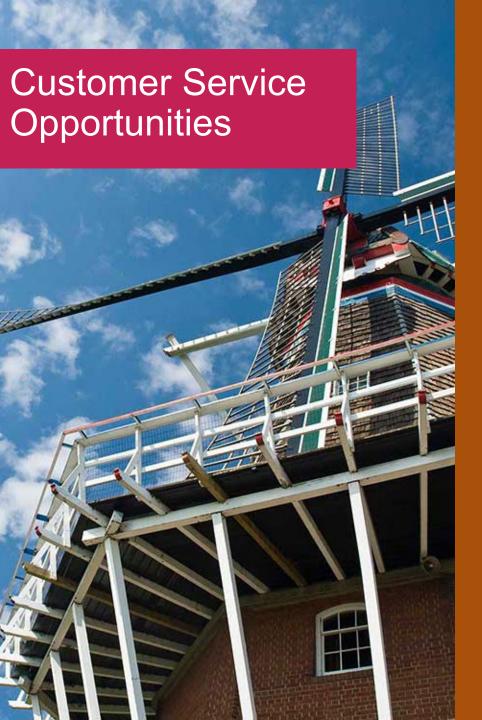

MDPP Participant Engagement

- More flexibility in schedules
- Medical appointments
- Physical limitations affect PA
- Technology barriers
