

# Collaborating to Prevent Type 2 Diabetes

Michigan Diabetes Prevention Network

Marti Macchi, MEd., MPH

Senior Consultant for Diabetes

National Association of Chronic Disease  
Directors

October 29, 2014

# National Association of Chronic Disease Directors (NACDD)

- National public health association
- Provides a national forum for chronic disease prevention and control efforts
- Founded in 1988
- Headquartered in Atlanta, GA
  - 11 professional staff
  - 25 national content experts
- 5,000+ members
- A CDC Grantee to help scale the National DPP

# Overview

- National collaboration for scaling and sustaining diabetes prevention efforts
- Technical assistance and support for states to scale and sustain diabetes prevention efforts
- NACDD/AMA collaboration

**29 million  
with Diabetes**

**86 million  
with Prediabetes**

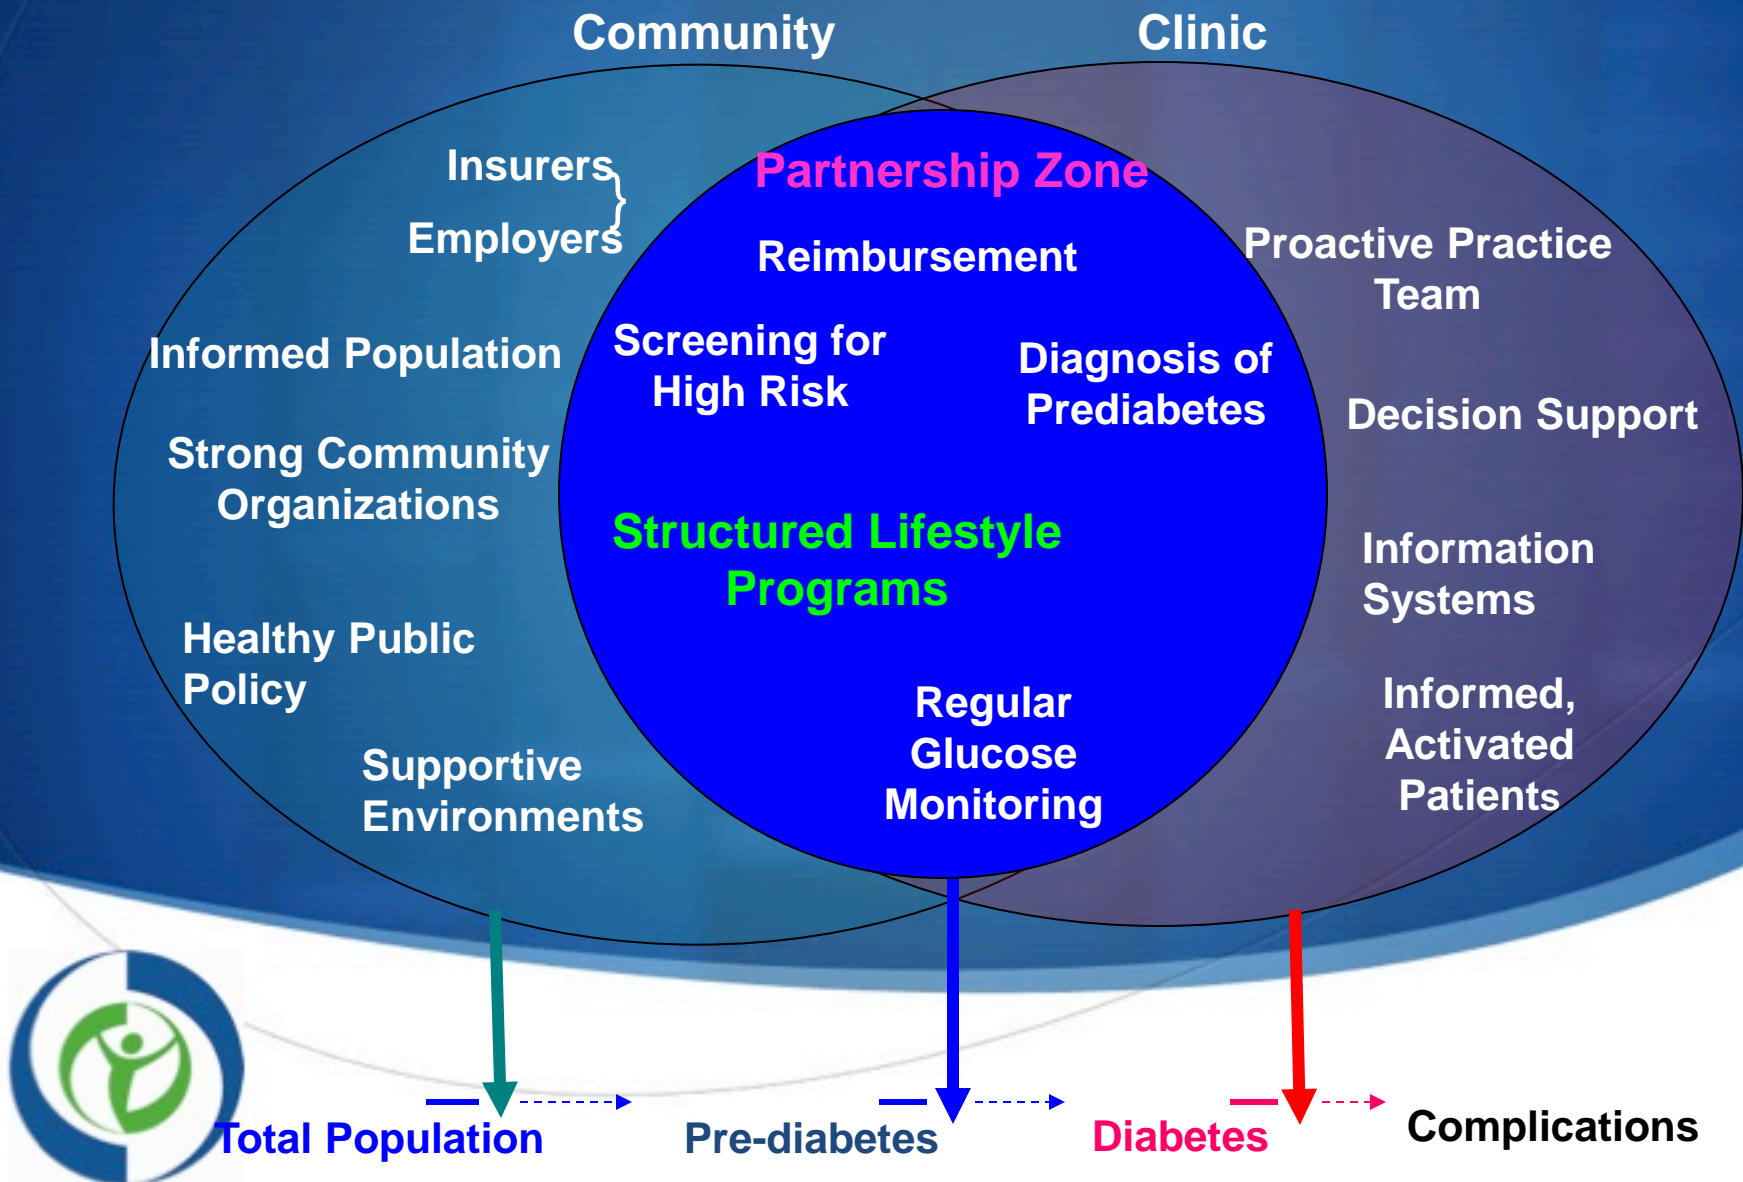

# Risk Stratification Pyramid for Diabetes Prevention

# Prevention of Type 2 Diabetes

## The Community – Clinic Partnership Model

# National Diabetes Prevention Program

**Systematically scale** the translated model of the DPP for high risk persons in collaboration with community-based organizations that have necessary infrastructure, health payers, health care professionals, public health and others to reduce the incidence of type 2 diabetes in the U.S.

# NACDD's National Partners

- American Medical Association (AMA)
- American Association of Diabetes Educators (AADE)
- American Diabetes Association (ADA)
- Diabetes Advocacy Alliance (DAA)
- American Health Insurance Plans (AHIP)

# National Scaling Strategies

- Identify and educate employers about the benefits and cost-savings of offering an evidence-based lifestyle change program as a covered health benefit
- Work with third party payers to reimburse organizations delivering the evidence-based lifestyle change program using a pay-for-performance model
- Marketing and Communications (provider education about screening and referral)

# State Level Technical Assistance and Support

- Communities of Practice
- Strategic Planning
- Diabetes Prevention Media Campaign
